# Leukoplast®

## ANTIMICROBIAL SPOOLS

The world's first spools and snap rings that actively fight against germs! Their innovative combination of materials with antimicrobial properties combats pathogens such as MRSA on the spools, and prevents them from spreading.

**MORE THAN 99.9%  
MRSA REDUCTION  
WITHIN 6 HOURS!\***

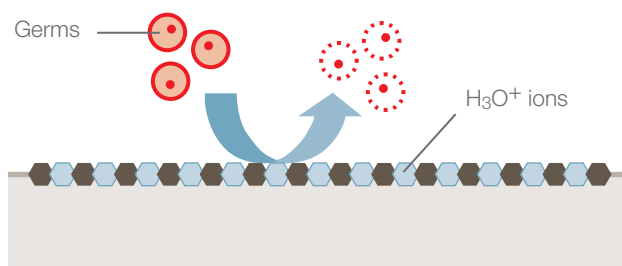

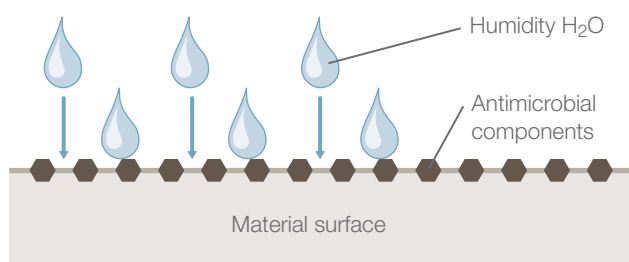

**DURABLE  
ANTIMICROBIAL  
PROTECTION**

## ACTIVE ANTIMICROBIAL PROPERTIES THROUGH A REDUCTION IN PH LEVELS:

The antimicrobial component incorporated into the spool material reacts with the atmospheric moisture on the surface.

An acidic environment is formed, in which pathogenic germs are destroyed.
